

CSLAP Quiz - Questions

For all questions, more than one answer may be partially correct. Choose the BEST answer.

Part 4: Shipping Procedures

1. Which of the following should be sent in the CSLAP cooler that goes to UFI?
 - a. Any shoreline HAB sample that you have collected and the accompanying paperwork
 - b. The regular site CSLAP surface and bottom samples
 - c. Biological samples- aquatic plants, fish, etc.
 - d. The SUNY ESF Shoreline Bloom Sample Data Sheet IF no bloom samples are collected.

2. After you have transferred the water from the collapsible container(s) into the labeled sampling bottles, you should...
 - a. Place all of the labeled bottles, icepacks and data forms into the cooler and ship immediately
 - b. Place all of the labeled bottles and icepacks into the freezer
 - c. Place all of the labeled bottles into the refrigerator
 - d. Place the ice packs and all of the labeled bottles, except the raw water sample and HAB vial, into the freezer

3. After freezing overnight, the ice packs and frozen bottles should be:
 - a. Sent to the lab the next day, no matter what day of the week it is.
 - b. Kept in the freezer and shipped on the next Monday, Tuesday, or Wednesday
 - c. Kept in the freezer until Monday, regardless of the day of sampling
 - d. Kept in the freezer until there is a shoreline bloom sample to send in with it.

4. Shoreline bloom samples should be sent to...
 - a. UFI using the prepaid label, included in the regular CSLAP sampling cooler
 - b. SUNY ESF using the prepaid label and the small cooler
 - c. FOLA using the prepaid label and the small cooler
 - d. DEC using the prepaid label and the CSLAP sampling cooler

5. If you complete the SUNY ESF Shoreline Bloom Sample Data Sheet (indicating no shoreline blooms anywhere on the lake) and don't collect any shoreline sample, this form should be:
 - a. Sent to DEC directly via regular mail
 - b. Sent to UFI with the regular CSLAP sample
 - c. Sent to ESF directly, using the pre-paid ESF label
 - d. Sent to FOLA directly via regular mail

6. You need to repair or replace equipment or you need more supplies. You should...
 - a. Make a note on the Sampling Record asking for replacement equipment or supplies
 - b. Make a note on the Chain of Custody form asking for replacement equipment or supplies
 - c. Include a separate note on top of your cooler asking for replacement equipment or supplies
 - d. Call or email NYSFOLA at 800-796-3652 or foia@nysfoia.org asking for replacement equipment or supplies
